

30 September 2021

## **Community Notice: West Village Crane Installation**

### **Activity**

- Installation of a tower crane onto the West Village site from Little Jane Lane

### **Location**

Little Jane Lane, West Village and Mollison Street, West End

### **Timeframe**

6:30am – 6:30pm on Wednesday 6 October 2021

6:30am – 6:30pm on Thursday 7 October 2021

### **Important Information for West Village neighbours**

A mobile crane will be set up on Little Jane Lane onto the West Village site on Wednesday 6 October 2021 to erect the next stage tower crane.

The mobile crane will be in place on the 6<sup>th</sup> and 7<sup>th</sup> to install the grillage and crane.

The delivery of the mobile crane means that traffic on Mollison Street will be restricted to one lane during the period from 6:30am – 6:30pm on 6 October. There will be delays for traffic in Little Jane Lane on the West Village Site, and on Mollison Street.

On Thursday 7 October the mobile crane will install the tower crane sections onto the West Village site.

Traffic controllers will be in place to provide safe access for pedestrians and vehicles. All the necessary approvals have been obtained for this work to be done.

### **Key Contacts**

If there are any concerns during the crane installation period please contact the Hutchison Builders Site Manager, Matt Hanna on 0423 762 216.

### **Questions or concerns regarding construction works at West Village?**
